

ELLICSR

## ASSOCIATE MEMBER

An Associate Member of ELLICSR is a researcher whose primary affiliation is with another Hospital or University department or program, but who contributes to the goals and objectives of ELLICSR through active participation in research programs and/or other academic activities of the unit.

### **Criteria:**

- Hold a University faculty appointment with protected time for research
- Engaged in a program of research that is relevant to the ELLICSR mission

### **Expectations:**

- A bilateral relationship whereby the Associate Scholar benefits from membership while promoting the activities of ELLICSR to colleagues nationally and internationally
- Annual reporting of academic activities as part of the ELLICSR annual report
- Leading or collaborating in ELLICSR research programs
- Acknowledge support of ELLICSR in relevant academic presentations and publications
- Participation in ELLICSR research related activities including the bi-monthly research seminar

### **Privileges:**

- These will be specifically negotiated with the ELLICSR Senior Management committee.
- ELLICSR Associate Members are part of the listserv and will be invited to all ELLICSR events
- Associate members will be profiled on the ELLICSR website
- Access to meeting space and audiovisual resources of ELLICSR (as negotiated and when available)
- Access to Travel award competition (2x per year)

### **Procedures:**

- Letter of request from applicant to the Appointment's committee of ELLICSR along with up-to-date curriculum vitae.
- The Appointment committee will review these materials and make recommendation for appointment at this level or to a different level within ELLICSR.
- Appointment approved by ELLICSR Senior Management committee.
- Appointments will be for 3 years with review by the Appointment Committee of activities and productivities based on the expectations outlined above for reappointment.
